FOR IMMEDIATE RELEASE

GED Integrated Solutions Announces Executive Promotions and Appointments

Twinsburg, OH - GED Integrated Solutions (GED), the progressive solutions provider to the global window and door fabrication industry, has made several executive appointments, including the promotion of Anthony B. DiFiorie to the position of Software, Research & Development Manager. DiFiorie has been with GED for 18 years where for the past five he held the position of Customer Support Services Manager. DiFiorie holds a Bachelor of Science – Engineering degree from Case Western Reserve University.

David Domanick has been appointed as GED's new Director of Customer Services. A 15 year customer service veteran, Domanick most recently served as the Sales Operations Manager at ITT Cleveland Motion Controls for four years. Domanick is a graduate of Lakeland Community College and holds a Bachelor of Science in Business.

Duane Klinzing has been promoted to Field Services Manager after serving as Project Manager for two years and Vinyl Product Specialist for the past five years at GED. Klinzing has 27 years professional experience in the automated window machinery industry.

About GED Integrated Solutions

GED Integrated Solutions, located at 9280 Dutton Drive in Twinsburg, Ohio, is a worldwide supplier of fully integrated insulating glass and vinyl window and door fabrication systems, and the pioneer of the revolutionary Intercept i-3 Warm Edge spacer frame production system. The company's i-3 platform works with its LeanNet communications software to integrate every facet of a plant's operation, increasing IG quality and production volumes and profits while decreasing operating costs and material wastage. GED's commitment to innovation that addresses its customers' needs is evidenced by the fact that 18 of the top 20 window and door manufacturers utilize GED's equipment and software solutions
