### AAMA Awards Scholarship to Danielle Misencik

**Twinsburg, OH** – Danielle Misencik, a soon-to-be freshman at Ohio Dominion in Columbus, Ohio, has been awarded a \$2,000 scholarship from the American Architectural Manufacturers Association (AAMA) – the trade association representing both residential and commercial window, door and skylight manufacturers.

2011 marks the eleventh consecutive year the AAMA has awarded scholarships to children of employees of AAMA member companies that are in pursuit of a degree in an engineering or technical field relating to the building products industry. Applicants are judged on grade point average, college entrance exam scores and a 500-word essay. Eligible candidates must be high school seniors or college students.

As a 2011 graduate of Notre Dame Cathedral Latin (NDCL) in Chardon, Ohio, Danielle earned a 4.0 GPA, was a four-year letter varsity golf achiever and won the Ohio State Golf Championship in 2009. She was awarded the All-Ohio Academic and Athletic honor for four years, is a member of the National Honor Society and provided over 100 hours of service with her local youth group. She plans to major in chemistry at Ohio Dominion.

Her father, Robert Misencik, is an employee of AAMA member company, GED Integrated Solutions in Twinsburg, Ohio.

#### About GED Integrated Solutions:

GED Integrated Solutions is a worldwide supplier of fully integrated insulating glass and vinyl window and door fabrication systems and the pioneer of the revolutionary Intercept® i-3 Warm Edge spacer frame production system. The company's i-3 platform works with its LeanNet® communications software to integrate every facet of a plant's operation, increasing IG quality and production volumes and profits while decreasing operating costs and material wastage. GED's commitment to innovation that addresses its customers' needs is evidenced by the fact that 18 of the top 20 window and door manufacturers utilize GED's equipment and software solutions.
